“ Dear Denise, Mindy, Stephanie, Monica, I was so sad to hear about the loss of your dad. Aunt Rosie told me today and I am so sorry I was not at the visitation or the funeral. I love you all and want you to know that I am praying for you. May the Lord bless you and give you peace and comfort at this time.

“ Dear Karen, Joyce and I were saddened to hear of Denny's passing. I think Denny left a favorable impression on almost everyone he met. His smile and laughter were both contagious and sincere and he touched all those who were fortunated enough to know him. While he loved life, he loved you and his family more because you were such and important part of his life.
We are sorry for your loss.

“ Dear Karen and family,
I was saddened to read about the loss of Denny. Though I haven't seen him in many years, I still carry fond memories of the times we shared...like the Heavenly Valley ski trip and him wandering into my bar ready to play his guitar and sing a favorite song to the delight of those present. Like the rest who have posted a comment here, his personality and friendship will long be remembered in the category of "how one mans life can be so enriching to the lives of those around him". I know Denny enriched mine.

My prayers are with you.

On behalf of all who knew him at Scott's 'N Soda,
thank you for the time you and Denny spent with us.

“ Karen and Family,

My deepest thoughts go out to you today, Denny, was the best that life could give. Always with a smile, a song or laughter. I will never forget his laughter.

“ Karen, Denise, Monica, Mindy and Stephanie so sad to hear about the loss of Denny. Neil and I look at the picture of Karen, Monica and Denny each day on the fridge, the three of you on the Bayliner at Lake City MN 2005. We always thought we would get Karen and Denny up to Northern Minnesota for a fishing trip. You guys were and will always be our best neighbors ever. We will never forget the great times, Denny's great singing and our first boat. Karen and girls you are in our thoughts and prayers and still hope that you will visit us up north. Jennifer and Justin also send their regards.

“ Dear Karen,
I am very sad to hear of the passing of my good buddy Denny. As you may remember, he and I grew up in the same neighborhood and graduated together from East High. I will always remember what a great and faithful friend that he was to me. He would always have something funny to say all the time. We shared a great many fun times together. I will always remember him for his honesty, integrity, loyalty, and enthusiasm. He was a wonderful person. He will truly be missed by all of us. You and your family are in my prayers to help you get through this time of grief. Very sincerely,

“ Karen and girls,
So saddened by the passing of our favorite guitar-playing smiling-faced bearded friend. You and Denny have been so good to our dad, Jack. We can never think of Denny without his smile, and now in God's hands his smile is even wider.

Our prayers are with you. We are blessed to have had a friend like Denny.

“ Dear Karen, I was very shocked when I received the news of Denny's passing. As we were all the crew here when I passed on the news. He was a special man and really made our trip to Iowa in 2004 with his good fun and nature, not forgetting the transport he provided with Ron.

We were planning another trip and all really looking forward to seeing Denny again. His photographs adorn our pub walls and he provides magical memories for us all. Karen you are in our prayers and we send our condolences to you and all the family from all of us here in Cruden Bay, Scotland.

“ Denise, Matt, Sarah, Abby and the Ackley Family,

Our thoughts and prayers are with you all. May you draw comfort from the time you enjoyed together, the laughter, the success and the joy you had with your dad, grandfather and husband. May you find strength to celebrate the success of Dennis's life and the ending of suffering and the hope of heaven.

I didn't know your dad but Hadie had met him a couple of times and she remembered him fondly. He had quizzed her on her boating skills and was quite impressed that she knew so much about boating for a girl.

Please know that our family is here for your family at this difficult time and we understand what you are going through, though that doesn't make it any easier. Take the time to grieve but also reflect on the good times.

God Bless,

“ My heart is broken and God has once again taken a true hero from all of us. Denny has always been my favorite uncle and to see him and hug him was bittersweet as no one came as close to being "MOM" to me as Uncle Denny..he was moms little brother but he looked and his sweet mannerism was identical to mom. He was a wonderful father and Denise, Mindy, Stephanie and Monica have been truely blessed with the best dad in the entire world. How lucky you girls were and i know you all 4 know that. God bless him..he is free from pain and has now joined mom and i am so sure she is a happy girl now being reunited with another brother..

The world will never replace such a wonderful man. he really did enjoy life. and to us in sabula he will always be our "Jimmy Buffet" with his tunes and barefeet right off our Mississippi shores...he has created and left us with ever lasting memories. thank you uncle denny...j

Will be seeing all of you on Thursday. Love and God Bless
