“ I first met Linda when I worked at the M-D Senior Center and delivering her Meals on Wheels. She always had a pleasant smile and loved to visit. She really loved her dogs. Because she had no family close she often had David and I helping and doing things for her. We were glad we could help her out. I remember her putting her wiener dogs in a baby buggy and walking around with them. She will be missed.

“ My daughters and I visited Linda at Christmas time for the past few years bringing her gifts from our community. She was always so kind and generous giving my girls small trinkets in return. We would always sing her Happy Birthday. She was known to us as "the hotdog lady" because she had weiner dogs. We will miss Linda. Our thoughts of comfort are with all who knew and loved Linda.
