“ Some of my most special childhood memories are of the time I was able to spend at the Lovillia Coal Company, working in the Weller Store just down from the mine, and the visits to Tom and Mae's...FYI...their bathrooms were so elegant that one was afraid to use them.

Prayers and blessings...

“ Mae Wignall was and will forever be my surrogate grandma. She was distinguished as my grandma in our wedding in 1996 and played that role well When my parents and I visited the house, no matter how old I was, my picture was always on the fridge. I could always count on a card for my birthday and other holidays.. Just like I was a Wignall or McKeever! I love Mae. We will miss her. God Bless. May she rest in peace.

“ Mae Wignall was my neighbor for many years, you could not find a better person than Mae. She was the kindest most generous person I have ever met. Mae loved her birds and the deer, her time at the Lake of the Ozarks, boating, and of course, don't forget an occasional Gooseberry Pie which was the best. My thoughts and prayers to the entire Wignall Family.
